Graham Denny joins Gamma Solutions' Sales operation in Queensland

Australia, April 2009 – Gamma Solutions, a leading Australian data capture provider, has announced that Graham Denny will be joining its sales operation in Queensland.

Graham Denny has many years of experience in the data capture and mobile computing industries. Prior to joining Gamma Solutions, Graham held a similar position at Psion Teklogix and prior to that at Intermec Australia.

“It’s certainly exciting times at Gamma Solutions with the prospect of getting involved in some new technologies,” comments Graham. “I’m delighted to be joining such a friendly company and I’m looking forward to assisting in its expansion into new markets.”

Graham Denny brings to Gamma a vast amount of experience learned over 20 years of real life practical solutions in the industry.

"I believe that his industry knowledge and customer service focus will assist in the future growth within this region. I know that Graham will be a great asset to our team." said Glenn Batten, Northern Region Manager at Gamma Solutions.
