Gamma Solutions and LXE team up at the Smart Conference and Expo 2011

Melbourne March 11th 2011 – Gamma Solutions announce today that they will be partnering with rugged mobile computer specialist LXE at this year's Smart Conference and Expo. The Smart Conference and Expo will be held at the Sydney Convention and Exhibition Center on the 25th and 26th of May 2011.

The Smart Conference and Expo 2011 focuses on Supply Chain models and ways to improve the way organizations conduct business. At this year's conference there will be numerous learning sessions presented by industry leaders. The topics range from warehousing to procurement and much more.

Industry leaders speaking at the smart conference include managers from the following companies: Coca-Cola Amatil, Ceva Logistics, OneSteel Distribution, Kimberly-Clark, BlueScope Steel and Amcor Australasia just to name a few.

"Gamma Solutions are proud to partner with LXE at Smart 2011; together we can showcase a full range of rugged hand held units as well as vehicle mounted terminals which will help companies streamline their processes" says Gamma Solutions Sales Executive Rick Major. "There is a lot of potential for these units to help organisations and we believe the Smart Conference and Expo is the best way for Gamma Solutions to show them to our target audience"
