**Gamma Solutions announces partnership with Top-VOX, market leader in Voice Technology.**

**March 2009** – Gamma Solutions are proud to be the Australian premier partner for Top-VOX, the manufacturer and supplier of topSpeechLydia, the innovative voice system for warehouse and distribution facilities.

The partnership provides Gamma Solutions with a world class speech system that easily integrates into current WMS solutions including proven interfaces with SAP and various ERP systems.

“Gamma Solutions has the trust and confidence of the market leaders, proven in-house expertise and top-quality services and support,” says Marceline Absil, Vice President of the US operations for top-VOX. “We are excited to be working together with a company that holds quality and innovation to a high regard.”

“Top-VOX offers forward-thinking innovations and designs for voice recognition systems,” said Michael Atallah, Managing Director of Gamma Solutions. “They have a proven product with a strong global presence. This is the type of solution companies are looking for today.”
